

Richmond City Health-in-all-Policies Team - Richmond, VA (Cohort 3 - 2014)

Team Members

Michael Royster

Danny Avula

Keisha Smith

Kimberly Gray

Team Overview

The team plans to: 1) build leadership skills to effectively lead the initiative; 2) increase awareness among non-health sectors of impact of decisions on population health; 3) develop cross- sector strategies to create collaborative policy in local government that promotes health and social equity; and 4) institutionalize the incorporation of a health and social equity lens in cross-sector practices in local government through ordinances or other strategies.
