PUBLIC HEALTH
REIMAGINED

Transforming our Landscape in the Age of COVID-19

MAY
20-21
2021

We are living through an unprecedented time: devastation due to the COVID pandemic, a destructive economic downturn, and conspicuous displays of racism and political turmoil. We in the public health field are at a critical juncture where we can transform our public health landscape and our communities - together.

May 20-21, 2021
9:00am - 3:30pm
